

## How You Can Help

### Write Your City Council Members

The proposed Walmart store requires the approval of the Patterson Planning Commission first, and then the City Council. So, the City needs to hear from you.

**Send a letter to:**

City Council  
City of Patterson  
P.O. Box 667  
Patterson, CA 95363

Or, direct emails to Rod Simpson, Community Development Director: [rsimpson@ci.patterson.ca.us](mailto:rsimpson@ci.patterson.ca.us)

Copies of your letter will be distributed to members of the City Council and Planning Commission. You are also encouraged to send or email copies of your letter to individual members of the City Council.
